March
Monochrome Presentation by David Boyd

Due to Covid-19 shutdown, meetings are currently not being held at Dorothy Hart Center.

The next meeting of the Fredericksburg Photo Club will be held on Tuesday, March 9, 2021 at 7:00 PM via the Zoom app.

A link will be sent to members in advance of the meeting, so please be sure to check your e-mail.

We look forward to seeing you on Zoom, Tuesday, March 9, 2021.

The meeting Tuesday, March 9, at 7PM via Zoom will be a presentation by member David Boyd. The topic will be monochrome. David sent the following information.

“We have all seen images in monochrome, usually black and white or sepia (that sort of brown tint we often see in antique photographs). What we will be discussing is how you make these photographs with our color digital cameras, why we would want to make them, and how monochrome images can add drama to what would otherwise be an ordinary photograph.”

Member Anne McGrath has moved.

Anne has relocated to Baltimore. Her new apartment is close to her daughter and family and Anne is enjoying her new home. Her email and phone numbers remain the same (they are on FPC roster). She plans to continue "zooming" with us. We wish her well.

Don't forget to submit up to two of your photographs each month to be published in the monthly newsletter. SUBJECTS for 2021:

David Boyd news

“The NWF card just came out. The National Wildlife Federation has published one of my images as part of their cards for trees program. They are sold by the Federation as a set of 10 5x7 cards representing 5 images by 5 photographers and can be purchased on their website (and, no, I don't get anything from any of the sales).”

“Photographs of objects we see or use every day, shot in unexpected ways, may be more satisfying than images of stunning vistas or rare and precious objects, however well those may be executed.”
