The next meeting of the Fredericksburg Photography Club will be held 6:30 – 8:30 PM on Tuesday, April 12.

Vice President Andy Sentipal will present a program on photographing Shenandoah National Park. A club shoot at the park will be scheduled in May for fawns sunrise, maybe bears, wildflowers and waterfalls

The meeting will also be on Zoom if you cannot attend at the Dorothy Hart Center. Zoom link will be sent to members.

2022 Annual Fredericksburg Photography Show

Last year's Virtual Show went very well, but we are thrilled that we will be holding the Show live again this year.

The Photo Show is fast approaching, and things are coming together. We are in need of volunteers to make everything move smoothly.

Please go to www.volunteersignup.org/DEA9P and pick a spot (or 2 or 3) when you can help out. Switching to "Classic View" on the first page will make it easier to see where help is needed. Look for the email detailing the different jobs that need to be done.

We will be having the Photo Club Board again this year. You do not have to enter the show to participate. You may bring your photos to the April meeting and we will transport them to the show.

As in the past we will have the hanging tags with us at the meeting. Club members entered in the show can have their 6 hangers for free. We will also be bringing examples of matted photos for your information and will answer any questions you may have.
